

Community Impact Micro-Grant

Grant Application Instructions

About the Bud Mansfield Community Impact Fund

The Chippewa County Community Foundation's (CCCF) Bud Mansfield Community Impact Fund is CCCF's unrestricted funds to grant for community impact in Chippewa County. This fund is held in permanent endowment for projects and programs that benefit community members and organizations. CCCF seeks to use these funds to do the most good in our community and for 2024-2025 we will be offering micro-grants designed to help non-profits, community groups, youth teams and organizations get the infusion they need to help begin a project, fill a pantry, meet a need and so much more. Community groups and local non-profit organizations (including churches, schools, government agencies, and community groups with a 501(C)(3) non-profit status) may apply for grants for programs that benefit individuals in Chippewa County. Finally, members review the grant proposals received and make funding recommendations to the Chippewa County Community Foundation's (CCCF) Board of Trustees.

What are some ways organizations have used a micro-grant?

1. Provide funding for a food pantry restock
2. Provide seed funding for a larger project
3. Provide funding to complete a sign project
4. Provide funding to support an existing program

Whatever your organizations need may be a community impact grant can help provide funding to get the project started.
